This quaint, Cape Cod-inspired home is your perfect coastal getaway.

The Sycamore is the ultimate escape from the commotion of day to day life, and it begins with a covered, U-shaped porch leading up to the front door. Inside, the Sycamore features a gorgeous, light-bathed open floor plan. The kitchen — with its island bench, elegant cabinetry, and large walk-in pantry — takes center stage here. The upstairs houses the home's bathroom and three bedrooms. The Sycamore is everything you need in a quaint vacation getaway or permanent home.
